

Subject: Request to start a Momentum Marketplace Program at Our Church

Dear Pastor [Leader's Name],

My name is [Your Name], and I am a member of our congregation here at [Your Church]. I am writing to share an exciting opportunity that I believe could greatly benefit our church community. It's called the Momentum Marketplace program.

Marketplace is designed to empower and engage both our young adults and experienced marketplace leaders within our church family. I believe this curriculum would help to support our church's mission while helping to support myself and other youth as they look at their future calling in life.

I believe implementing the Marketplace program could make a significant impact in our church. I know young adults, myself included, can often feel a little disconnected and uncertain about how to honor God as we pursue careers outside of ministry. The Momentum Marketplace curriculum is about showing us how God calls us to shine His light in the marketplace, while helping us learn from the talented marketplace leaders we have here at [Your Church]. At the same time, this program offers our church's marketplace leaders a chance to share their expertise, mentorship, and faith in a way that directly impacts my generation.

My faith is important to me and I want to understand how to use it in my future work. Through this program I want to better learn how to bring together Biblical teachings with practical career guidance. I also know that budgets are often limited, but I think you'll see this is a very cost-effective program.

Thank you in advance for looking at the Momentum Marketplace program and considering it for our church. You can take a look at the details of the program at MomentumMarketplace.org.

Thanks again,

[Your Name]
